All:

Attached as a RTF (Rich Text Format) file, suitable for viewing in nearly all word processors, is PML News Volume 1. PML News will be distributed to you via email periodically as we offer new kits, new components, sales, or other promotions. PML News Volume 1 announces our 15% off Christmas sale...see the attachment for details.

You are on distribution for this email because you either are a previous PML customer, have emailed PML with technical questions in the past, or have specifically requested distribution of the PML News.

Also, since this is the first distribution, I may have accidentally "doubled-up" on your name in the email list, so if you have received multiple copies of this email, please hit the "Reply" button in your emailer and let me know. Some of you may have multiple email addresses also, so if you get a copy at both addresses, hitting "Reply" from that address will let me know which address should be removed from distribution.

If you do NOT want to be on distribution for PML News, please send me an email with "PML News -- REMOVE" as the subject line. We apologize in advance for any intrusion if you do not wish to receive these emails. OK, on with the PML News!

Please add \$7.50 for shipping and handling.

Also available:

Don't know what to get that special someone? Get a PML Gift Certificate! They're available in \$20, \$50, or \$100 denominations, and are good indefinitely. Maybe the rocket flyer in your family wants a PML product not included in this sale, or you know they want *something* from PML and you don't want to "tip your hand" by asking? Give 'em a PML Gift Certificate, and they can choose what they want themselves! Our Gift Certificates are always available, but Christmastime is a great time to give them!
