

The 6" Lunar Express Is Back!

By popular demand, we've decided to do a limited production run of the 6" diameter Lunar Express kits again. Many customers have asked for this kit that went out of production in late 1999, so we set up and ran about 20 more. As noted, this is a *limited production* run, so when they're gone, they're gone. Go to the Advanced 6" page of our webstore to place your order for one now while they're still available!

PML Photo Contest

We're having a PML kit photo contest. You've seen how we have the "Click here for a larger picture" link on our kit pages to see photos of the kits? Well, we're looking for photos of real PML customers with their kits. What we are looking for is a person holding or otherwise posing with the rocket. A good, clear launch photo in addition to the static shot would be fantastic. Image quality (good color, lighting, focus, etc) is very important. Also, we may crop and/or alter the photo (i.e.. color, contrast, sky enhancing, erasing distracting objects, etc.) to fit our needs. If we do, we will submit by e-mail a copy of the finished image (if altered other than cropping, re-sizing, and color correction) for permission from original sender.

So, here's the few simple rules/requirements:

- If the image is digital, or a hardcopy image that you've scanned on your own, 150 dpi is minimum resolution; 300 to 600 is much preferred.
- Large electronic files are not a problem, up to 4 Mb if submitted via e-mail. Send to ADWaddell@home.com
- Mailing in the photo via US Mail is preferred because we can scan it ourselves to the format we desire. (Our USPS address is on the Contact Us page of the website).
- PML will not return the photograph(s) unless you supply a stamped, self-addressed photo-mailer type envelope with your USPS photo submission.
- The back of the picture should have a post-it note with the senders name, address, phone, email address, and short description of the scene (where, when, motor used, etc.). DO NOT write on the back of the picture! (If you submit via email, please include the above information in the email).
- PML's discretion as to what photo(s) is/are used is entirely up to us. Submitting a photo in no way guarantees that it will be used.
- Full photo credit will be given to the photographer.
- The rules are simple...if we use the image(s), you win a PML Gift Certificate for \$40. (If your photo is chosen, we will send you a standard photographer's Model Release form that you'll need to fill out and return giving us formal permission to use the picture).

We've seen a lot of your great photos, and now's your chance to not only be a part of the PML website with your work, but to win some bucks toward your next PML purchase as well. First come, first served, so get those photos in today!
