

PML News Volume 69 - Christmas Sale 2006!

Hi there! Hope all's well with you and yours, and I have an announcement that can make all even weller (not a word, but c'mon! <g>) for your favorite rocketeer! PML is having a Christmas Sale of 15% off on four of our popular kits, starting today through December 15. *You must call PML directly or order via the PML Webstore to receive the sale pricing.* The four kits are listed on the front page of our website at www.publicmissiles.com, so go there today and check out which ones they are. Put one on your Christmas list, or heck, buy YOURSELF one for Christmas...don't leave it up to Santa to get it right, get one today and make SURE something good from PML ends up under the tree!

One other item of interest is that now we have our Carbon Fiber items in stock again! Yep, check out the Composites page in the webstore and you'll see that CF is finally back in stock. (Might be another good thing to order for Christmas while it's still available.)

Thanks again to you all for your great support of PML, and Merry Christmas, Happy Hanukkah, and Happy New Year to you all!
